

## FACHTAGUNG ABBRUCH 2025 on March 14 in Berlin

### Industry get-together for demolition and recycling under the theme of “QUALITY IN DEMOLITION”

COLOGNE, December 5, 2024

On March 14, 2025, the DA Service GmbH will once again be organizing the FACHTAGUNG ABBRUCH 2025 for the German Demolition Association in Berlin at the former Postbahnhof of STATION-Berlin. In 2024, the German Demolition Association welcomed over 1,200 attendees and 124 exhibitors to Europe's largest specialist congress in the field of demolition and dismantling. Expectations for 2025 are therefore high.

Press release

“Quality in Demolition” is the title topic of the FACHTAGUNG ABBRUCH 2025 this time. The varied conference program includes a total of 12 lectures. Renowned experts and entrepreneurs will speak on the quality aspect of the circular **economy, asbestos, large-scale projects** and **building demolition**.

**Top entrepreneur** and **TRIGEMA boss Wolfgang Grupp** will give the keynote speech entitled “Quality in Germany – Responsibility and performance of entrepreneurs in Germany”. This will be followed by further exciting lectures on challenging **deconstruction projects, disposal concepts** and the **reuse of recycled building materials**. TV journalist Kristina zur Mühlen will once again be the moderator for the lecture program.

#### Specialized exhibition

More than **80 exhibitors** have already registered for the trade exhibition, which presents a wide range of products and services related to demolition, asbestos removal and recycling. **The current list of exhibitors can be viewed on the event website and registration as an exhibitor is still possible until December 27, 2024.**

#### Dialogue Evening

The dialogue evening will also traditionally take place at STATION Berlin, so that the **exhibition** will continue to **remain open** parallel to the dialogue evening. This improves the exchange and information opportunities for both sides - participants and exhibitors - and enables a **wide range of networking opportunities throughout the evening**. A **shuttle bus service** will be provided around the clock between the Berlin, Berlin by Radisson Individuals hotel and the STATION-Berlin.

#### Sponsors

The Demolition Conference is well established, as can be seen from the encouraging number of sponsors that have already been acquired. The DA would like to express its sincere thanks to its supporters! **Some sponsorship packages and individual measures are still available.**

Since 1951, the Deutscher Abbruchverband e.V. – DA (German Demolition Association) has been the leading business association in the demolition industry with a head office in Cologne and a further office in Berlin. Its over 800 member companies come from the fields of construction and industrial demolition as well as mineral waste recycling and remediation of pollutants. Engineering offices and machine manufacturers support the association as supporting members. The DA provides its members and the general public with comprehensive information on the technical and legal bases of demolition work and its development and ensures that practical experience is incorporated into political and economic decisions as well as into technical standards and regulations, especially in the environmental field. The focus of the association's activities is on education and training, environmental and recycling issues in connection with demolition work and construction waste, as well as quality assurance during demolition and dismantling.
